L*W*H: 11.8m*3.3m*3.2m

Building Area: 38.9 m²

Floor plan

Experience the ultimate in space optimization and design innovation with our cabin layout, featuring two cozy bedrooms, a pristine bathroom, and a private balcony. The interior is graced by a breathtaking 270° floor-to-ceiling window that strategically frames the surrounding landscape, while a grand skylight overhead bathes the space in natural light. Engineered with advanced insulating and heat-resistant materials, our design not only maximizes indoor space but also ensures year-round comfort. Curl up in comfort as the scenery becomes your constant companion, and revel in the unadulterated joy that nature offers. This is not just living; it's living in harmony with your surroundings.
